### SUMMARY

The Pro Care Granite & Stone Cleaning Kit features a powerful solution to maintain your stone surfaces. Reduce residue, cut through smudges, grease and sticky leftovers with this innovative collection of products. Designed as an easy way to maintain the polished and streak-free look of your granite and stone surfaces, this cleaning kit leaves sinks or countertops looking brand new. The cleaning spray's formula is crafted with a molecular bonding, water-based, breathable sealer to break through those tough stains without wax or residue build up. The Granite & Stone Cleaning Kit includes: 1 - Cleaning Spray, 1 - Melamine Sponge, 1- Microfiber Cloth, and 1 -Bar Keepers Friend Sample. This kit is designed for use on quartz, corian, formica, tile, glazed ceramic, polished marble and concrete. The manufacturer is not responsible for damage resulting from misuse of this product kit.
